Dinkar Mehta(A.I.C.S.P.) is reported to have convened a meeting in Soumyen Tagore's house on 3.7.38. He urged all radical forces in Bengal to unite into one party to fight British Imperialists and the landlords and to make the Congress join that fight. The system of personal leadership was detrimental to such unity. He said that he thought the left wing was stronger than the right in East Bengal, particularly in Comilla, Mymensingh and Dacca, and for that reason he was going to tour those districts. He thought that the release of Pratul Ganguly and other prisoners would still further strengthen the left-wing's position. Soumyen Tagore is said to have offered his whole hearted co-operation as long as party faction was avoided. Amongst those present were Professor Ranga(A.I.K.C.Madras), Hathée Singh(Bombay) and Raju Desai.

209. A.I.K.C:

Prof. N. G. Ranga, General Secretary, A.I.K.C.

(Madras) is reported to have asked Bankim Mukherji, the General Secretary, B.P.K.C., to arrange for / successful observance of the third annual "Kishan Day" on 1. 9.38.

He deprecates the alleged secret negotiations between Congress leaders and British politicians, which aim at undermining the "growing revolutionary temper and capacity of India's masses". Vested interests, he observes, are busy approaching the provincial Governors and even the Governor-General to minimize benefits accruing to peasants from the new tenancy legislation. In most provinces, ^{no} moratorium has been declared, forest acts have not been amended, irrigation difficulties have not been relieved and the "corruption and zulum of the Services" have not been put down. The Congress High Command, on the other hand, is reported to be preparing for a "third Satyagraha campaign" to deal a mortal blow at Kishan class organizations. It is therefore, imperative that the Indian peasantry should be educated politically and economically so that they may shoulder their responsibility under the leadership of the Kishan Sabha when the next anti-imperialist campaign begins. They should frame their Charter of demands and revise their attitude towards the Ministry, and the Professor has drafted an appropriate appeal on these lines. He has also asked Mookherji to send telegraphic messages about the celebrations in Bengal to the United Press, the Associated Press and all local journals; to despatch a report to the A.I.K.C. office in Madras, and to seek the co-operation of the local Congress in order to ensure success.

I, therefore, request you to immediately issue a press statement condemning the unwarranted firing and the subsequent police Zulum in effecting indiscriminate arrests and demanding the appointment of an impartial judicial tribunal to enquire into the circumstances that lead to this deplorable happenings, just on the heels of the Kisan Sabha. It is necessary, that all public bodies particularly anti-imperialistic organisations (all labour, youth and Kisan Organisations) who have any sympathy towards Kisans should agitate in the press, pass resolutions strongly condemning the firing and demanding an open enquiry. Attempts are being made to arrest hundreds of men and to hall them up in a criminal court. I would therefore appeal to you to come to our assistance to render as much financial help as you can to defend the innocent and helpless Kisans of this area.

the arrested persons into custody became futile. By that time hundreds of passers by and villagers from adjacent villages had flocked round and the police found it difficult to take the arrested persons out of the huge crowd of about 1000. Firing was ordered perhaps to extricate themselves from that threatening situation, with the result that 5 Kisans including one female were shot dead on the spot. In the pell mell caused by the firing a number of officials also received injuries. One police constable and many other Kisans have also received severe bullet wounds. Another police constable was severely beaten and he is in a precarious condition. Many others who received minor injuries have fled away from the villages. First aid was attended to at Mandasa hospital and they have been removed to Vizag General Hospital for treatment.

The Kisans conducted themselves peacefully throughout but the way in which they had obstructed the police from arresting the alleged offenders of taking them into custody is no doubt highly objectionable; but the situation at any stage did never warrant the opening of fire, it is clear that the authorities seemed to have acted with indecent haste.

On hearing this shooting outrage the District Collector, District Superintendent of Police, with reinforcement of 50 Reserve constables have arrived at Mandasa on 2nd in the early hours of the day. They began to arrest every male member whom they can get hold of in the surrounding villages, in the result that all the male members excepting the females in the villages have fled to some unknown places in forests and hills. The police on the pretext of arresting the offenders are going to other villages also and striking terror in the hearts of the people. It is highly unjust and objectionable that the police should carry on indiscriminate arrests of innocent

Firing in Mandasa Estate Five Kisans including one female
died.

..

Dear Comrade;

There were long standing disputes between the Zamindar of Mandasa and the peasants over the question of forest permit fees. Recently the peasants got fuel from Budarsingi forest which is very near their Village. But on the report of the Estate officials that the fuel was brought from Mandasa forest, the Taluk Magistrate of Sompeta, with some police constables came to Gudarirajamanipuram, to seize the property and to arrest the alleged offenders on 30th March 1940. The Kisans pleaded that they got the fuel from Budarsingi forest and also showed permits. All their efforts to prove their innocence seem to have fallen on deaf ears of the officers who came there with a grim determination to effect arrests.

The Taluk Magistrate after sometime seemed to have reported to the Sub-Collector that he could not arrest and take them into custody and that he apprehended danger if he persisted in his efforts to arrest them. The Dewan of Mandasa also is reported to have requisitioned by wire the presence of the Sub-Collector, Deputy Superintendent of Police and the help of the Police. Thereupon the Sub-Collector, Deputy Superintendent of Police, Inspector of Police, Tekkali, Sub-Inspector of Sompeta and a post of 30 Constables came to Gudarirajamanipuram, with loaded guns and revolvers on 1-4-40 at about 3 P.M. and arrested 7 Kisans. Feelings ran high and hundreds of Kisans, mostly women, prostrated themselves before the police and obstructed them from their men being taken into custody. The police with great difficulty could take the arrested persons a few 100 yards from the village to a nearby field. The villagers protested against the arrests and all of them offered to go to jail. Thereupon prolonged and heated discussions followed until 5 P.M., and all efforts to take

Calcutta in the inland mail on 7.4.40. The letter adversely criticises the action of the authorities in quelling the Kisan disturbance in the Mandasa Estate and asks the addressee to take up the matter immediately and hold public demonstrations in Bengal against the alleged police "Zulum" in the East.

I enclose herewith a copy of the letter for your perusal.

OFFICE OF THE
DEPUTY INSPECTOR-GENERAL OF POLICE.
RAILWAYS AND C.I.D., MYLAPORE,
MADRAS, S.,

Dated the 23rd June 1941.,

My dear Janvrin,

Gagi Mani Lakshmi Narayan, referred to in your memo No. M. 536 dated the 13th instant, is Gogineni Lakshminarayana, son of Nagayya of Nidubrolu, Guntur district, and brother of the well-known Kisan agitator N.G. Ranga, who is now a detenu in the Central Jail, Vellore

He delivered an anti-war speech at the Third Bapatla Taluk Ryots' Conference at Idapalapadu on 4-12-39, for which he was prosecuted under Section 108, Cr.P.C., and bound over on 5-3-40 for one year on his own and two other sureties for Rs. 1,000/-; as he refused to furnish the sureties he was jailed. He unsuccessfully appealed, but after he had served three months imprisonment, Government ordered his unconditional release under Sec. 124, Cr.P.C. and passed orders prohibiting him from making any speeches.

Yours sincerely,

In order to save the lives

We have asked the All India

the same when they fix it. Besides,
we must also begin right now

Comrade, The Governor-General has not yet been pleased to commute the death sentence passed on the four Kayyur Comrades; but the vigorous mass agitation carried on throughout India by the various Kishan Sabhas gives us hope and encouragement in this direction.

Reports published in our paper "People's War" - and in the daily press show that Bengal is leading the other provinces in this agitation as well. Without being formal, I thank you on behalf of the Organising Committee of the All-Kerala Kishan Sangham.

Let us redouble our efforts and unitedly forge sufficient mass pressure to get back these four dear comrades of ours for the cause of the Kishans and the defence of our Motherland.

Kerala has been to hear about the staunch fight that Kisan Sabha and other patriotic organisations are putting up against the vile hoarders, the incompetent bureaucrats and against opportunist disruptors, both political and communal. The famine in Bengal is truly a man-made famine and the organised efforts of the masses of our people alone can prevent repetition of the same. The pre-eminent task of the Kisan Sabha to day is to lead the organised Kisans and other sections of our people in this patriotic fight against the people's enemies.

It is not enough that the Kisans grow more food; they have to see that what food they produce reaches our people in equitable portions and not go to swell the pockets of vile profiteers. It is in this context that your provincial conference assumes particular importance this year.

Next to Bengal, Kerala, is perhaps, the worst affected by food famine. There are hundreds of villages in Malabar and Travancore where whole families cannot even get two sers of rice a month! Last year, it was cholera, this year

Hill Paddy Cultivation under Co-opera-

Cochin St. Kisan Sabha has taken up
the work of Hill paddy Cultivation in
Parivaram in Cochin State. 250 acres
of hilly lands in two separate blocks
have been taken on lease from the
Govt. by the parivaram unit of the
St. Kisan Sabha for this purpose.
The cultivation is being carried on
through 150 separate co-operative socie-
ties registered for the purpose. Already
180 acres of land are now under paddy
cultivation. The societies have for their
capital Rs 10000/- in 1000 ten-rupee shares.
Already 600 shares have been sold through-
out Cochin and a sum of Rs 6000/-
collected, even though it is now less than
two months since the registration of
the societies. St. Kisan Sabha is
preparing schemes for the cultivation
of the 20000 acres of Hill paddy land
now remaining uncultivated under
Govt. Control. All public bodies and
most of the papers in the State have
begun to take keen interest in this
collective-farming experiment of the
Sabha. Detailed report on this shall be

The reasons stated by the Govt. for the said action are that in view of the Govt. these associations have for their object interference^(interfere?) with the administration of law and order and that they constitute a danger to the public peace. The charges of the Govt. are unfounded and baseless on the very face of it. The Govt. have not even justified their action by proving the charges thus brought forward in a Court of law or setting up an Enquiry Committee for the purpose.</p> | |

Kisan Sabha of Anthicad is a branch of the Cochin St. Kisan Sabha, which has been functioning for the last two years throughout the State in conformity with the policy and programme of the A.J.K.S. Kisan Sabha units in Cochin State among which Anthicad Unit has been very active have been engaged mainly in carrying on vigorous propaganda among the Kisans for increasing food production and making Commandeering and rationing introduced by the Govt. successful. As a result of this propaganda Kisans of Anthicad have come forward in large numbers to sell more paddy to the Govt. even by reducing their domestic needs. In the field of Grow More Food, the work of the Anthicad Sabha was marvellous. They purchased manure worth Rs 1000/- from the Govt. depot last year and distributed it among the Kisans of the locality thereby helping to increase the yield of paddy in that particular area. Appreciating such activities of the Sabha the Siran Peishkar, the revenue Head of the State had invited the representatives of Anthicad Unit of the Kisan Sabha to discuss about ways and means for the effective cultivation of Kala (?) Lands in that area. The recent cultivation of Hill paddy area, under Co-operative basis taken up by the

Come, I give you choice from the following:
1. Karyanand Sarma.

If Com. Bankim attends, he can take the mail on 26th at 2 P.M. or so. He will reach Tenali by 12 midnight on 27th. He attends the conference on 28th and again leave for Calcutta by 29th morning mail, thereby reaching Calcutta on 30th by 1 P.M. so it takes him 5 days. He can safely attend the C.K.C. meeting on 2nd April.

Is Com. Dange returning in March. If so can you spare him for our conference?

Under any circumstances, you must attend the conference. Better if you attend East Godavary and West Godavary conferences too.

Don't take these repeated letters as panicky. NOTHING of that sort. We want you both at these conferences as the leaders of the party and the Sabha and which are playing a vital role in the national politics to day. This will inspire the Cadre, enthuse the people and once more remind that Provincial Kisan Movement is part and parcel of the All India movement. Please reply early through wire

them on the basis of our political slogans and practical work. We are sure that this Provincial Kisan Conference will achieve what the Bezawada A.S.K. achieved.

So the universal demand is that you as a leader of the Communist party which is a strong group in the Kisan Sabha here and Com. Bankim Bala as the leader of the A.S.K.s, which is the central issue round which the fight is going on must attend the Conference. This will inspire the cadre ten times and will also impress the Kisan masses who are witnessing all this. The demand comes not only from the cadre but from the people also who are behind us. So we expect that both of you do attend the conference. You must find time for this and similarly you must advise Com. Bankim Bala to attend. I have written a letter to Com. Bhowani Sen and another to Bengal Kisan Sabha, some 20 days ago but no reply was sent. Today I am writing another letter to Com. Bhowani Sen.

All the District Conferences are being held in March. The East Godavari and West

West Godavary conferences will be larger than others. For E.g. Conference, they are going to rally 10,000 and for W.G. 30,000. They want Com. Bankim Bala to attend them

but I personally think that Com. Bankim cannot spare so much time. So yesterday I wrote a letter to Mr. Adhikari asking him to send Com. Prithvi Singh to both these conferences. The dates for these conferences are provisionally 22nd to 26th. Please do send Com. Prithvi Singh to these conferences.

So the questions to be decided are (1) your presence and (2) Com Bankim Bala's presence. We here feel that both of you must attend and the universal demand from the Cadre and the villages is the same.

It is needless to say to you how this Provincial Kisan Conference will be historic. Besides ^{Ranga} Ranga, the Provincial Congress Assembly is going to take a hostile attitude. The newly elected Working Committee of the Provincial Congress Assembly is going to meet on 20/2/45 - to decide the terms on which Kisan Congress, Students Congress etc are to be affiliated to the Congress Assembly. The President, General Secretary and others are definitely going to organise these Kisan Congresses. You know today Guntur district group is leading in all their anti communist, anti Kisan Sabha anti- Students federation, activities. The President and one joint Secretary of the Congress Assembly come from Guntur district. Nay, they come from Tenali Taluk itself so you can well understand what tremendous position we have to face.

We are intending to hold the conference in Tenali Town itself; Tenali is one of the most

most important political centres in Andhra,
which have a decisive say in Congress politics.
Hence we are holding the conference in Tenali.

All the basic, fundamental issues
regarding class organisations are now

Several speakers opposed this amendment and when it was put to vote only 3 people voted for the amendment. Then the main resolution was carried unanimously. All were given opportunity to express their opinion on the resolution.

On the 26th open session was held in a specially erected pandal. Mr. P. Ponnambala Gounder presided. Mr. P. Chockalingam Pillai, a Congress leader of Tirumvelly hoisted the Red Flag, Com. Prithi-Vi Singh opened the conference, and made rousing speeches. Nearly 6000 peasants attended the open session, from Alur and nearby villages. Kisans from Keerippatti and Mallikkarai marched in a procession from a distance of 8 miles. If we had held the Conference at Krishnagiri it would have been possible to mobilise 20,000 for the open session, but 6000 in Alur was itself a big surprise to us considering the political backwardness of the place.

The Alur Kisans have been stirred and several cadres have been thrown up. A base to build strong Kisan Sabha in Alur taluk has been created. This conference has bucked up all Kisan workers of the conference.

Cante Secretary interviewed the Dt. Collector and got permission to hold the conference at ATUR, a talk centre in Salem Dt. In Atur area the Kisan Sabha is not strong; we have only a few units, that too about 10 to 15 miles away from Atur. Atur is untouched by any political activity so far. Even congress work is non-existent. Still we chose this place and decided to hold the conference on 24, 25 and 26th of March.

Preparations for the conference were hurriedly made; on 23-3-45 a meeting of the delegates of the A.I.K.S. was held in which 13 persons were elected to the A.I.K.S. The same evening general body meeting of the provincial committee was held and an executive committee for this year was elected.

On the 24th and 25th delegates' sessions were held. 445 delegates from all over Tamilnad attended the ~~main~~ session. Nearly 150 visitors attended the delegates' session. (Paying visitor's fee). Mr. P. Ponnambala Gounder presided over the session. In all 26 resolutions were passed. ~~Many delegates~~ Many delegates took ~~part~~ part in the discussions. Even the ordinary peasants from the villages who were delegates spoke on the main resolutions or moved some amendments, and made speeches. Discussions were very lively when Kisan demands were taken up. All the resolutions were passed ^{Particulars of Causes of Death as far as known.} unanimously. When the resolution on the rival Kisan Sabha (No. 26) was moved Ramakrishna Reddiar, (a Congressman

2-4-45

It had been decided to hold the 2nd Annual Tamilnad Kisan Sabha Conference at Krishnagiri, Salem Dt., on the 17th, 18th and 19th of March. Preparations for the conference were under way and nearly Rs 1,000 had been collected in cash and kind. But to our surprise we were informed on 1-3-45 that the Dt. Collector has banned all the Kisan Sabha activities for a period of one month there by making it impossible to hold the conference. The ban was extended to Krishnagiri and Dharmapuri Taluqs. We had arranged to hold the A.S.G.S. delegates' meeting on 15-3-45 at Krishnagiri owing to the ban we could not hold the meeting.
